

GEG ATC presents:

# **Spokane Intl. (GEG) Runway Safety Action Team Meeting - LOCATION CHANGE**

Meeting is in the GEG Air Traffic Control Tower conference room, not the main terminal as stated in first notification. Do you have concerns about runway safety at the Spokane International Airport? If so, the Runway Safety Action Team wants to hear from you. You are cordially invited to attend the Runway Safety Action Team meeting to express your concerns. Anyone interested in GEG Airport surface operations is welcome.

**Directions:** The meeting will be held in the ATC Conference Room. Please Note: Meeting is being held at GEG Air Traffic Control Tower, not the main terminal building as stated in first notification.

**A message from the National FAASafety Team Manager**

Over 10,150 AMTs earned an AMT Award last year. Will you, this year?
